WHY PAULANER DUNKEL WEISSBIER?

- **A chestnut-coloured malt revelation**, a high share of Munich malt gives this dark wheat beer its deep colour and roasted character.
- **Naturally cloudy, genuinely unfiltered**, the same signature haze and fuller body as the rest of the Weissbier family.

WHAT MAKES IT SPECIAL

- Traditional top-fermentation with a blend of light and dark wheat and barley malt for its chestnut colour and roasted depth.
- Herkules hops balance the malt sweetness with a clean finish.
- Available in 6 × 4 × 500ml cans.
